

Optical Tapestry

The tapestry series is inspired of weaving schematics, Anni Albers, and the ethos of Frank Lloyd Wright. These one of a kind pieces are designed to weave into the architecture and expression of your space. Seen as a canvas for collaboration, tapestries can be customized in pattern, color and scale. Please inquire for more glazes and designs

Optical \$5500 39 x 32 x 3.5 in

MATERIALS

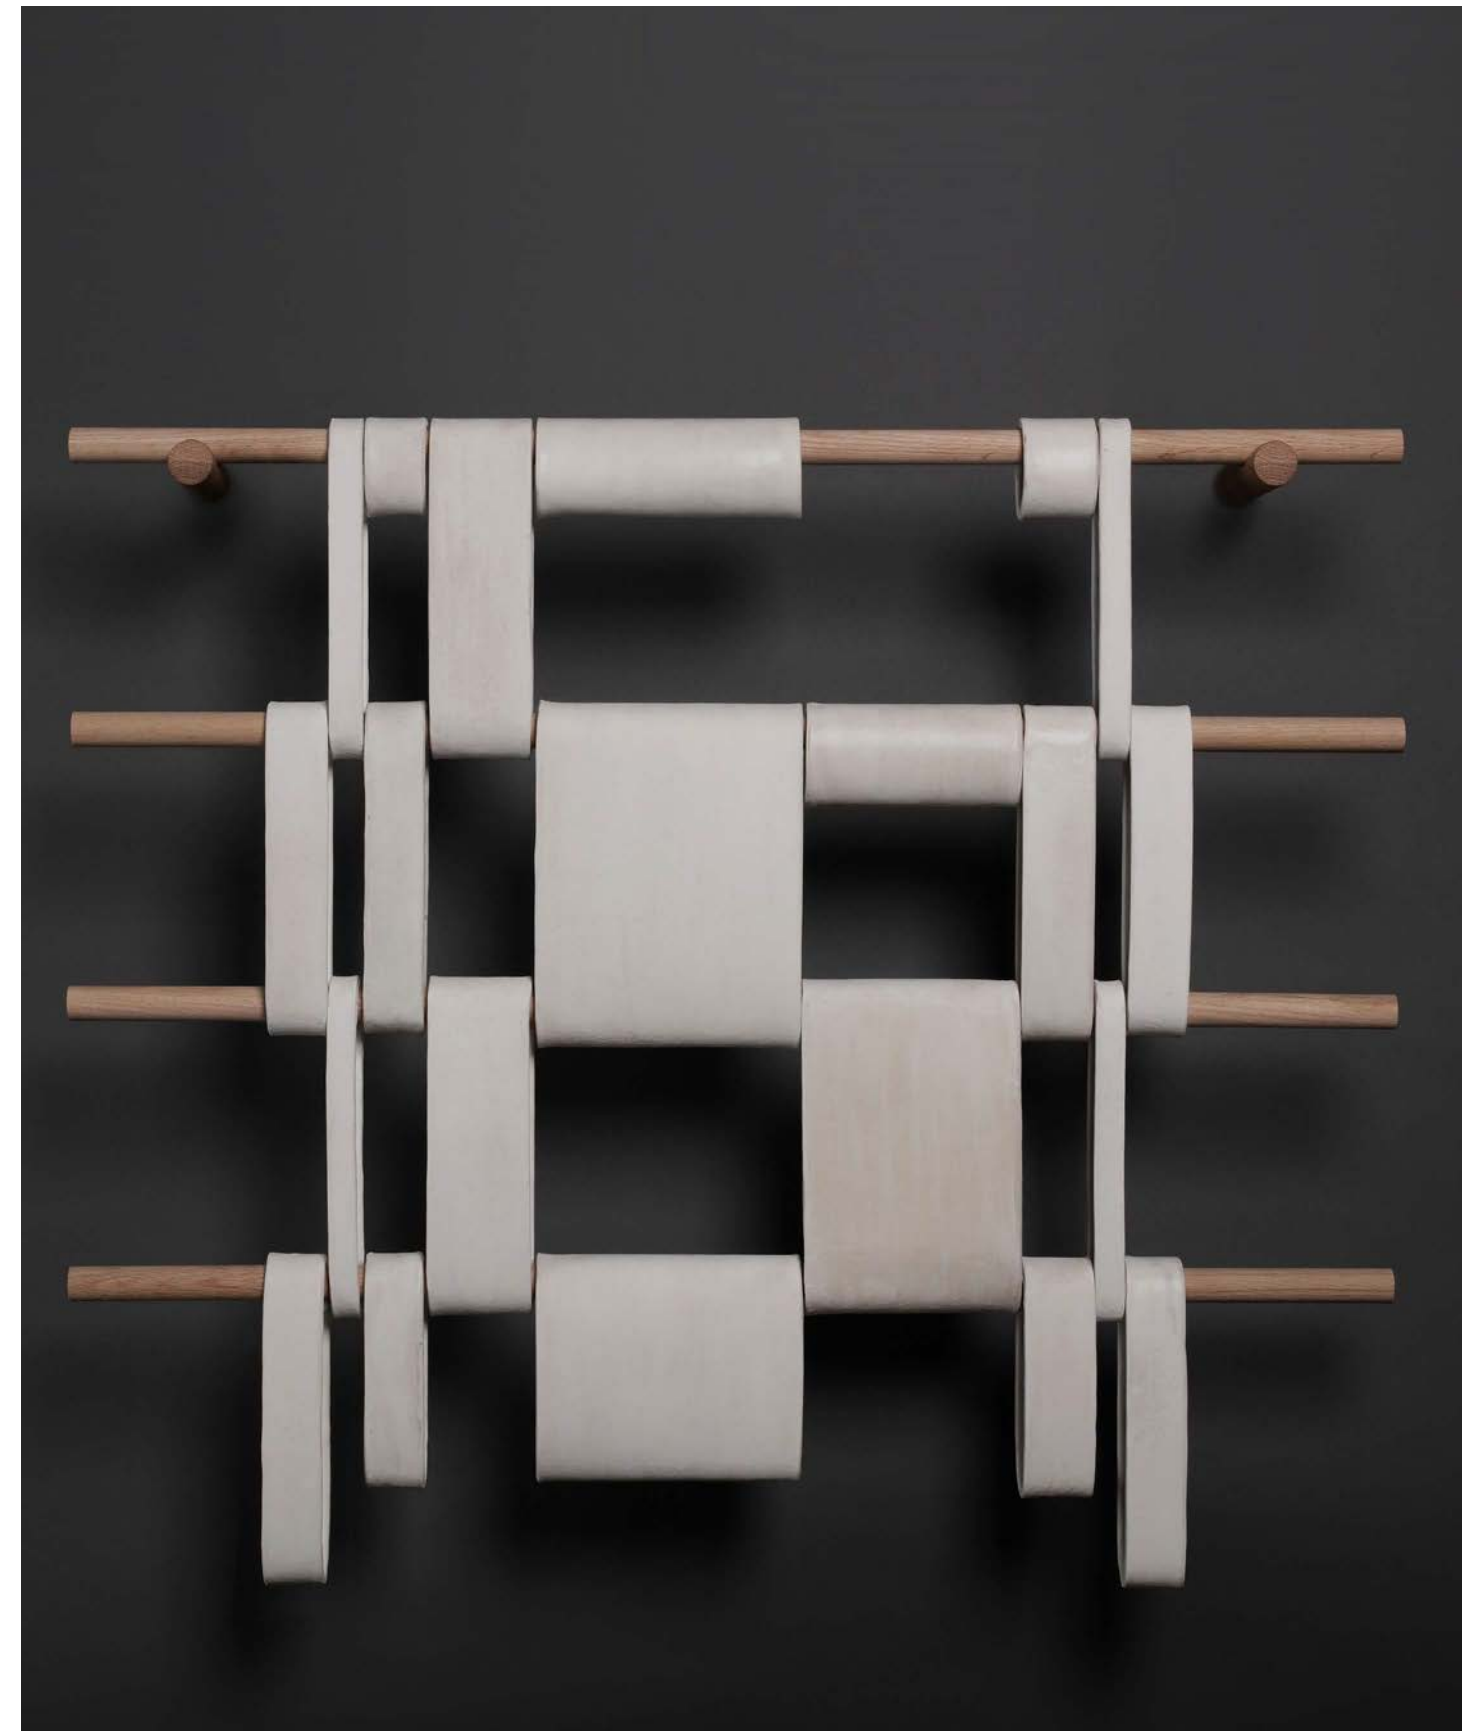

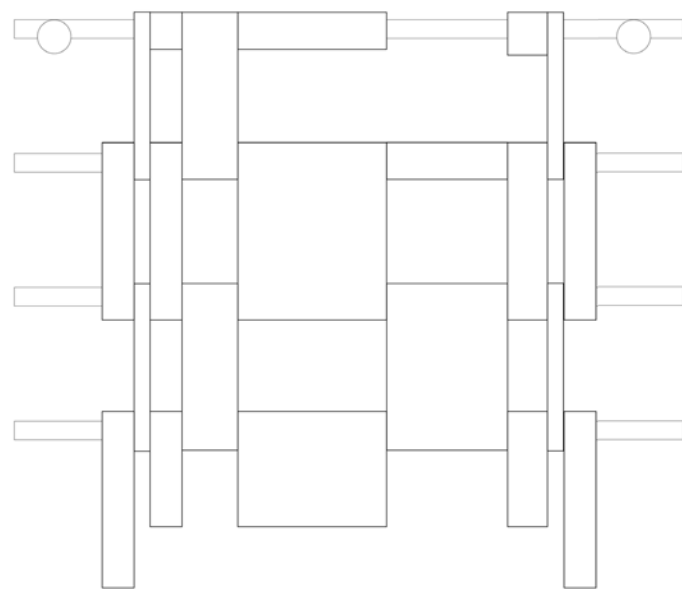

Made of sculpture stoneware, painted with porcelain slip and satin glaze, hung from 1 inch oak dowels and oak mounting hardware.

SHIPPING & HANDLING \$250

INSTALLATION

Self install or professional install available.

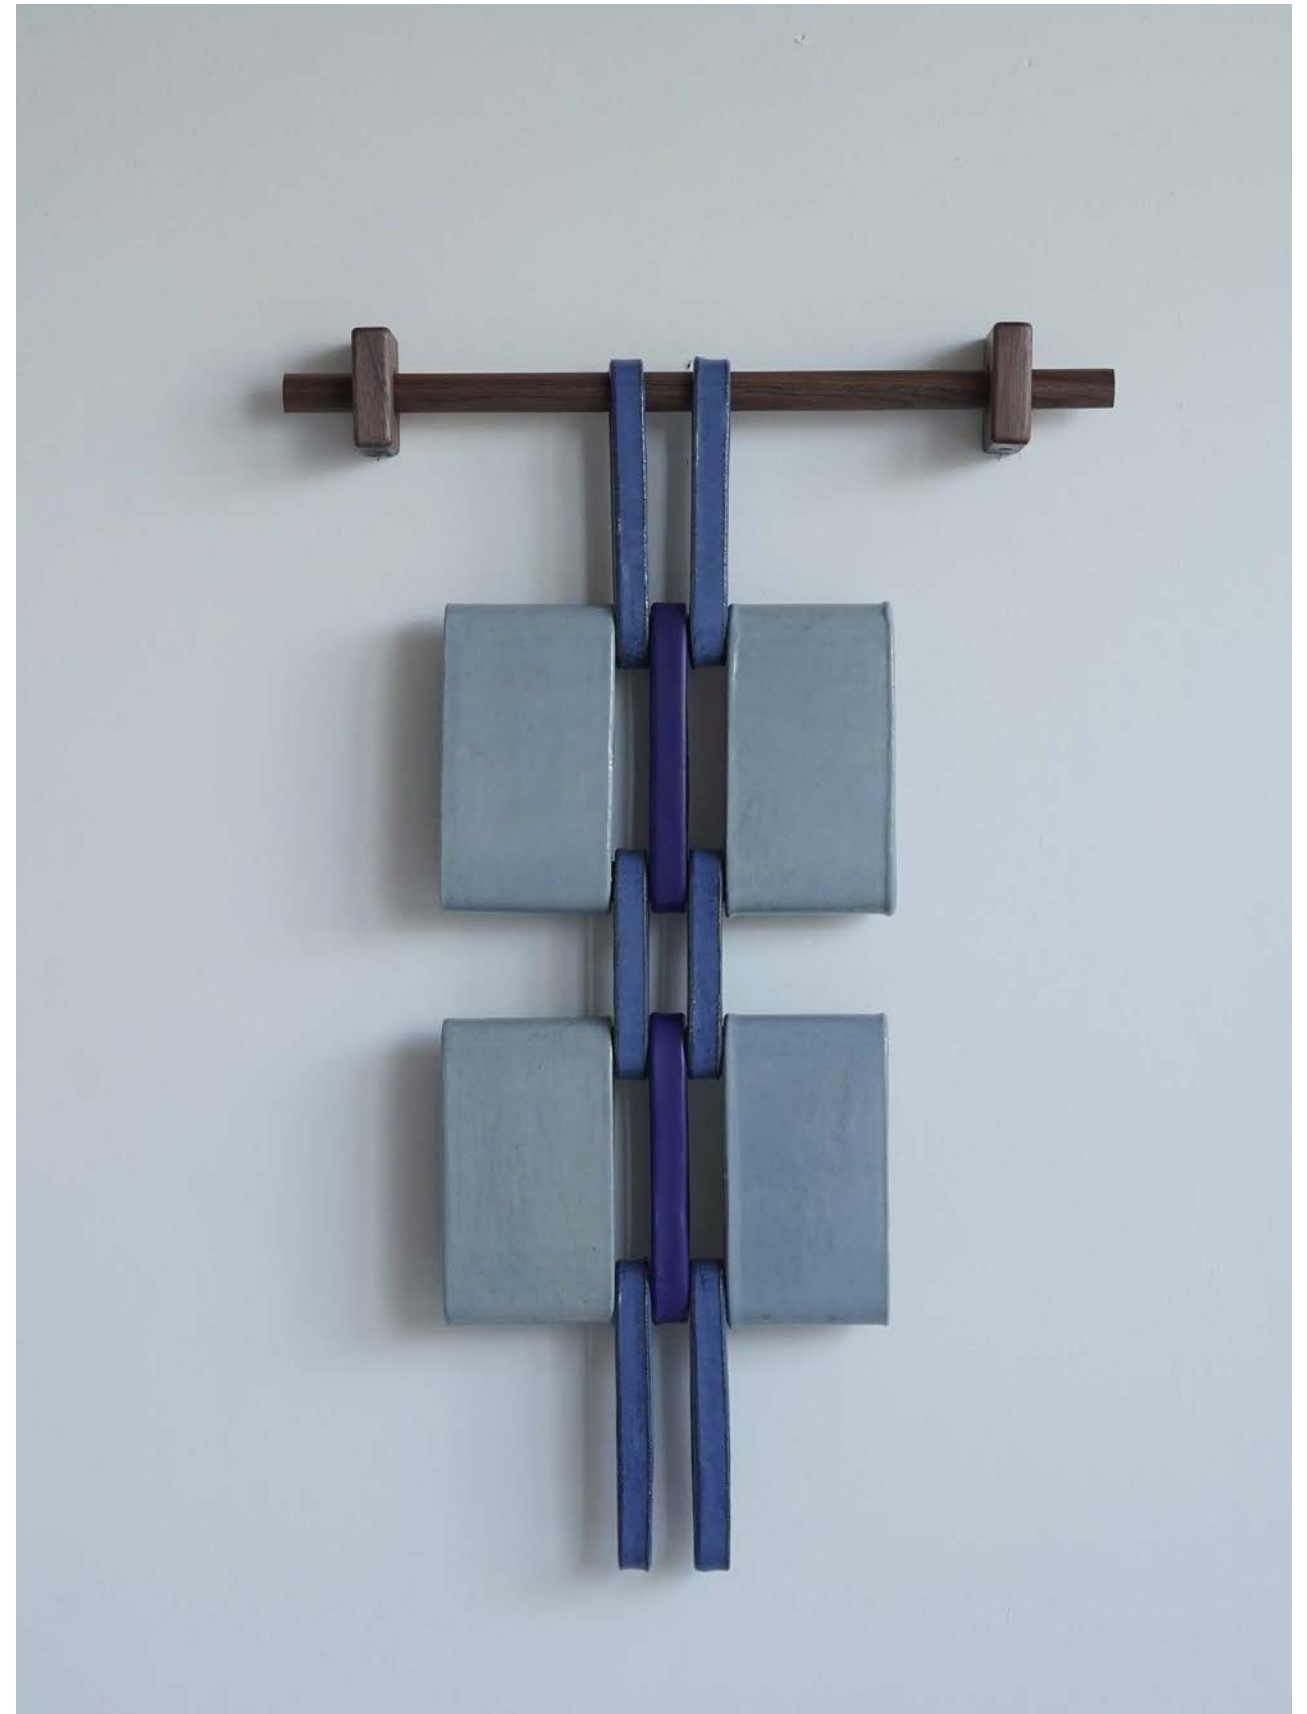

Frame Tapestry - Blue

The Frame wall tapestry is deceptively complex in its simplicity. Tonal colors and rich glazes accentuate a pattern that is modern while also historical, as it references traditional Jacquard weaving schematics.

Frame \$2800 21 x 30 x 3.5 in

MATERIALS

Made of sculpture stoneware, glazed in a range of blues, light to dark with glossy and matte finishes, hung from 1 inch walnut dowel and mounting hardware.

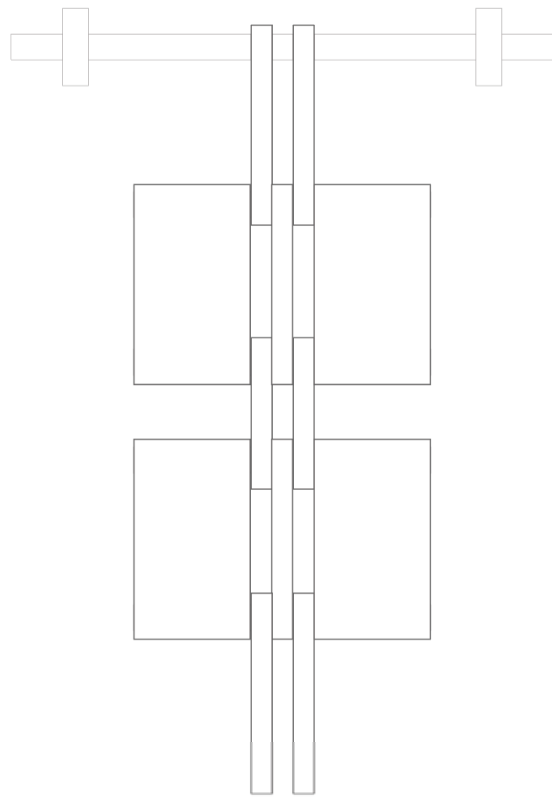

SHIPPING & HANDLING \$150

If shipping outside of Bay Area, price will be adjusted.

INSTALLATION

Self install or professional install available.

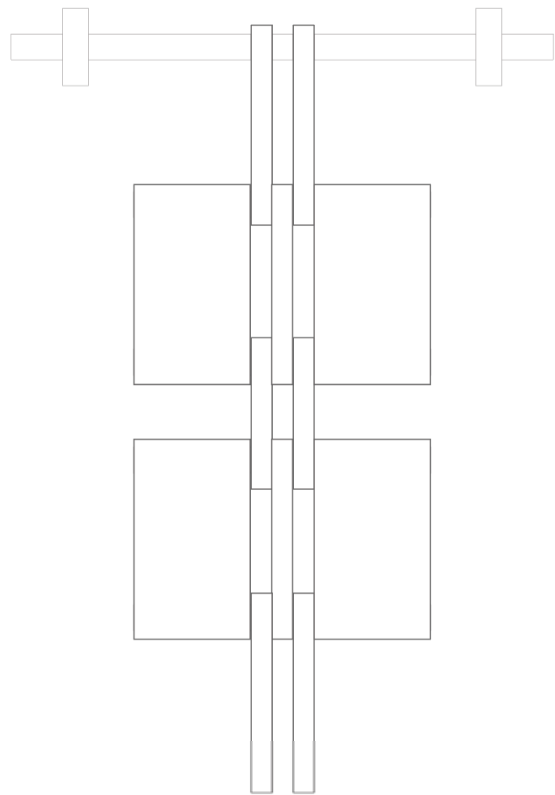

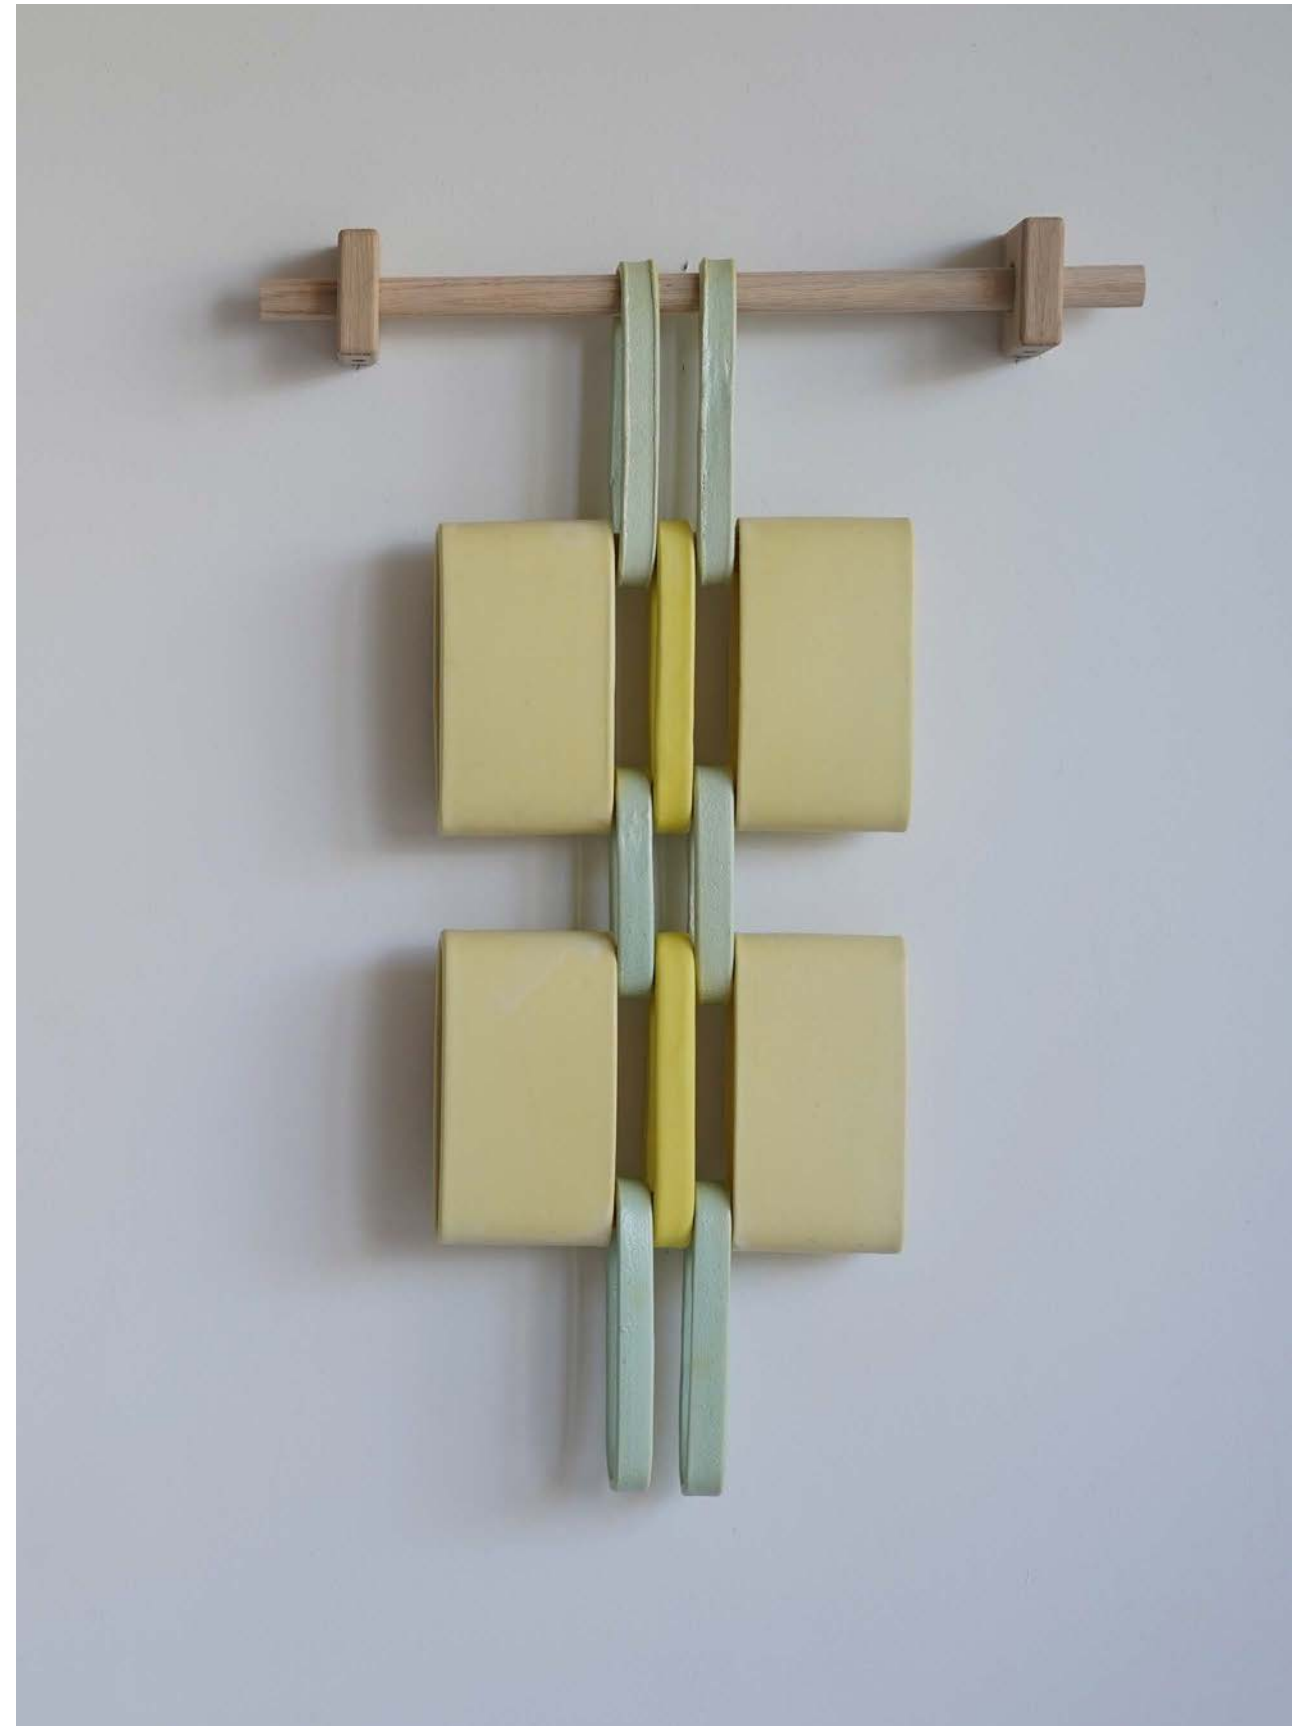

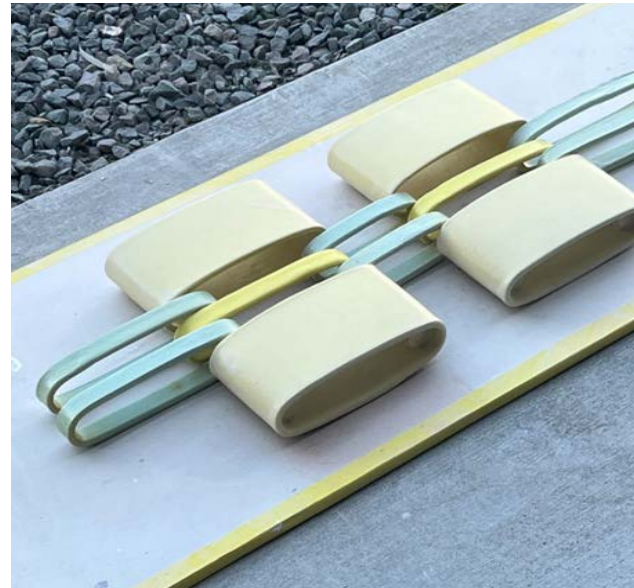

Frame Tapestry - Lemongrass

The Frame wall tapestry is deceptively complex in its simplicity. Tonal colors and rich glazes accentuate a pattern that is modern while also historical, as it references traditional Jacquard weaving schematics.

Frame \$2800 21 x 30 x 3.5 in

MATERIALS

Made of a mix of mason stained and sculpture stoneware, glazed in a range of yellows and green, with matte finishing, hung from 1 inch oak dowel and mounting hardware.

SHIPPING & HANDLING \$150

If shipping outside of Bay Area, price will be adjusted.

INSTALLATION

Self install or professional install available.

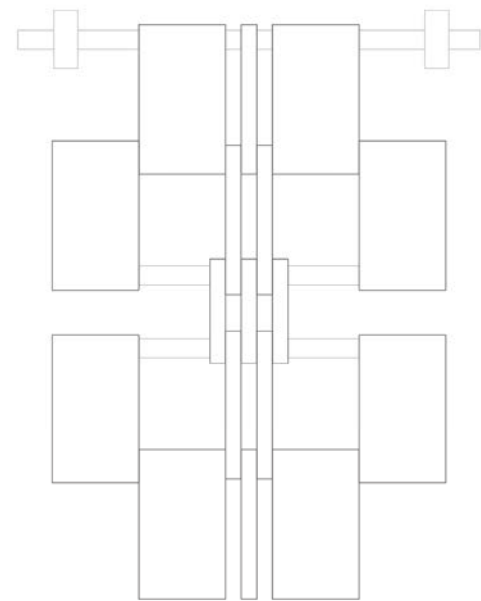

Woodfired Tapestry

Wood firing is a slow, communal and elemental process. This piece was woodfired at the Community Arts Center in Wallingford Pennsylvania. with a group of 12 people, where each person takes shifts over the course of 48 hours to support the continuous stoking of the fire.

Optical \$8000 24 x 30 x 3.5 in

MATERIALS

Made of a mixture of high grog and smooth woodfired clay. each piece is left unglazed to showcase the ash and flame from the fire. Hung with walnut dowels and mounting hardware.

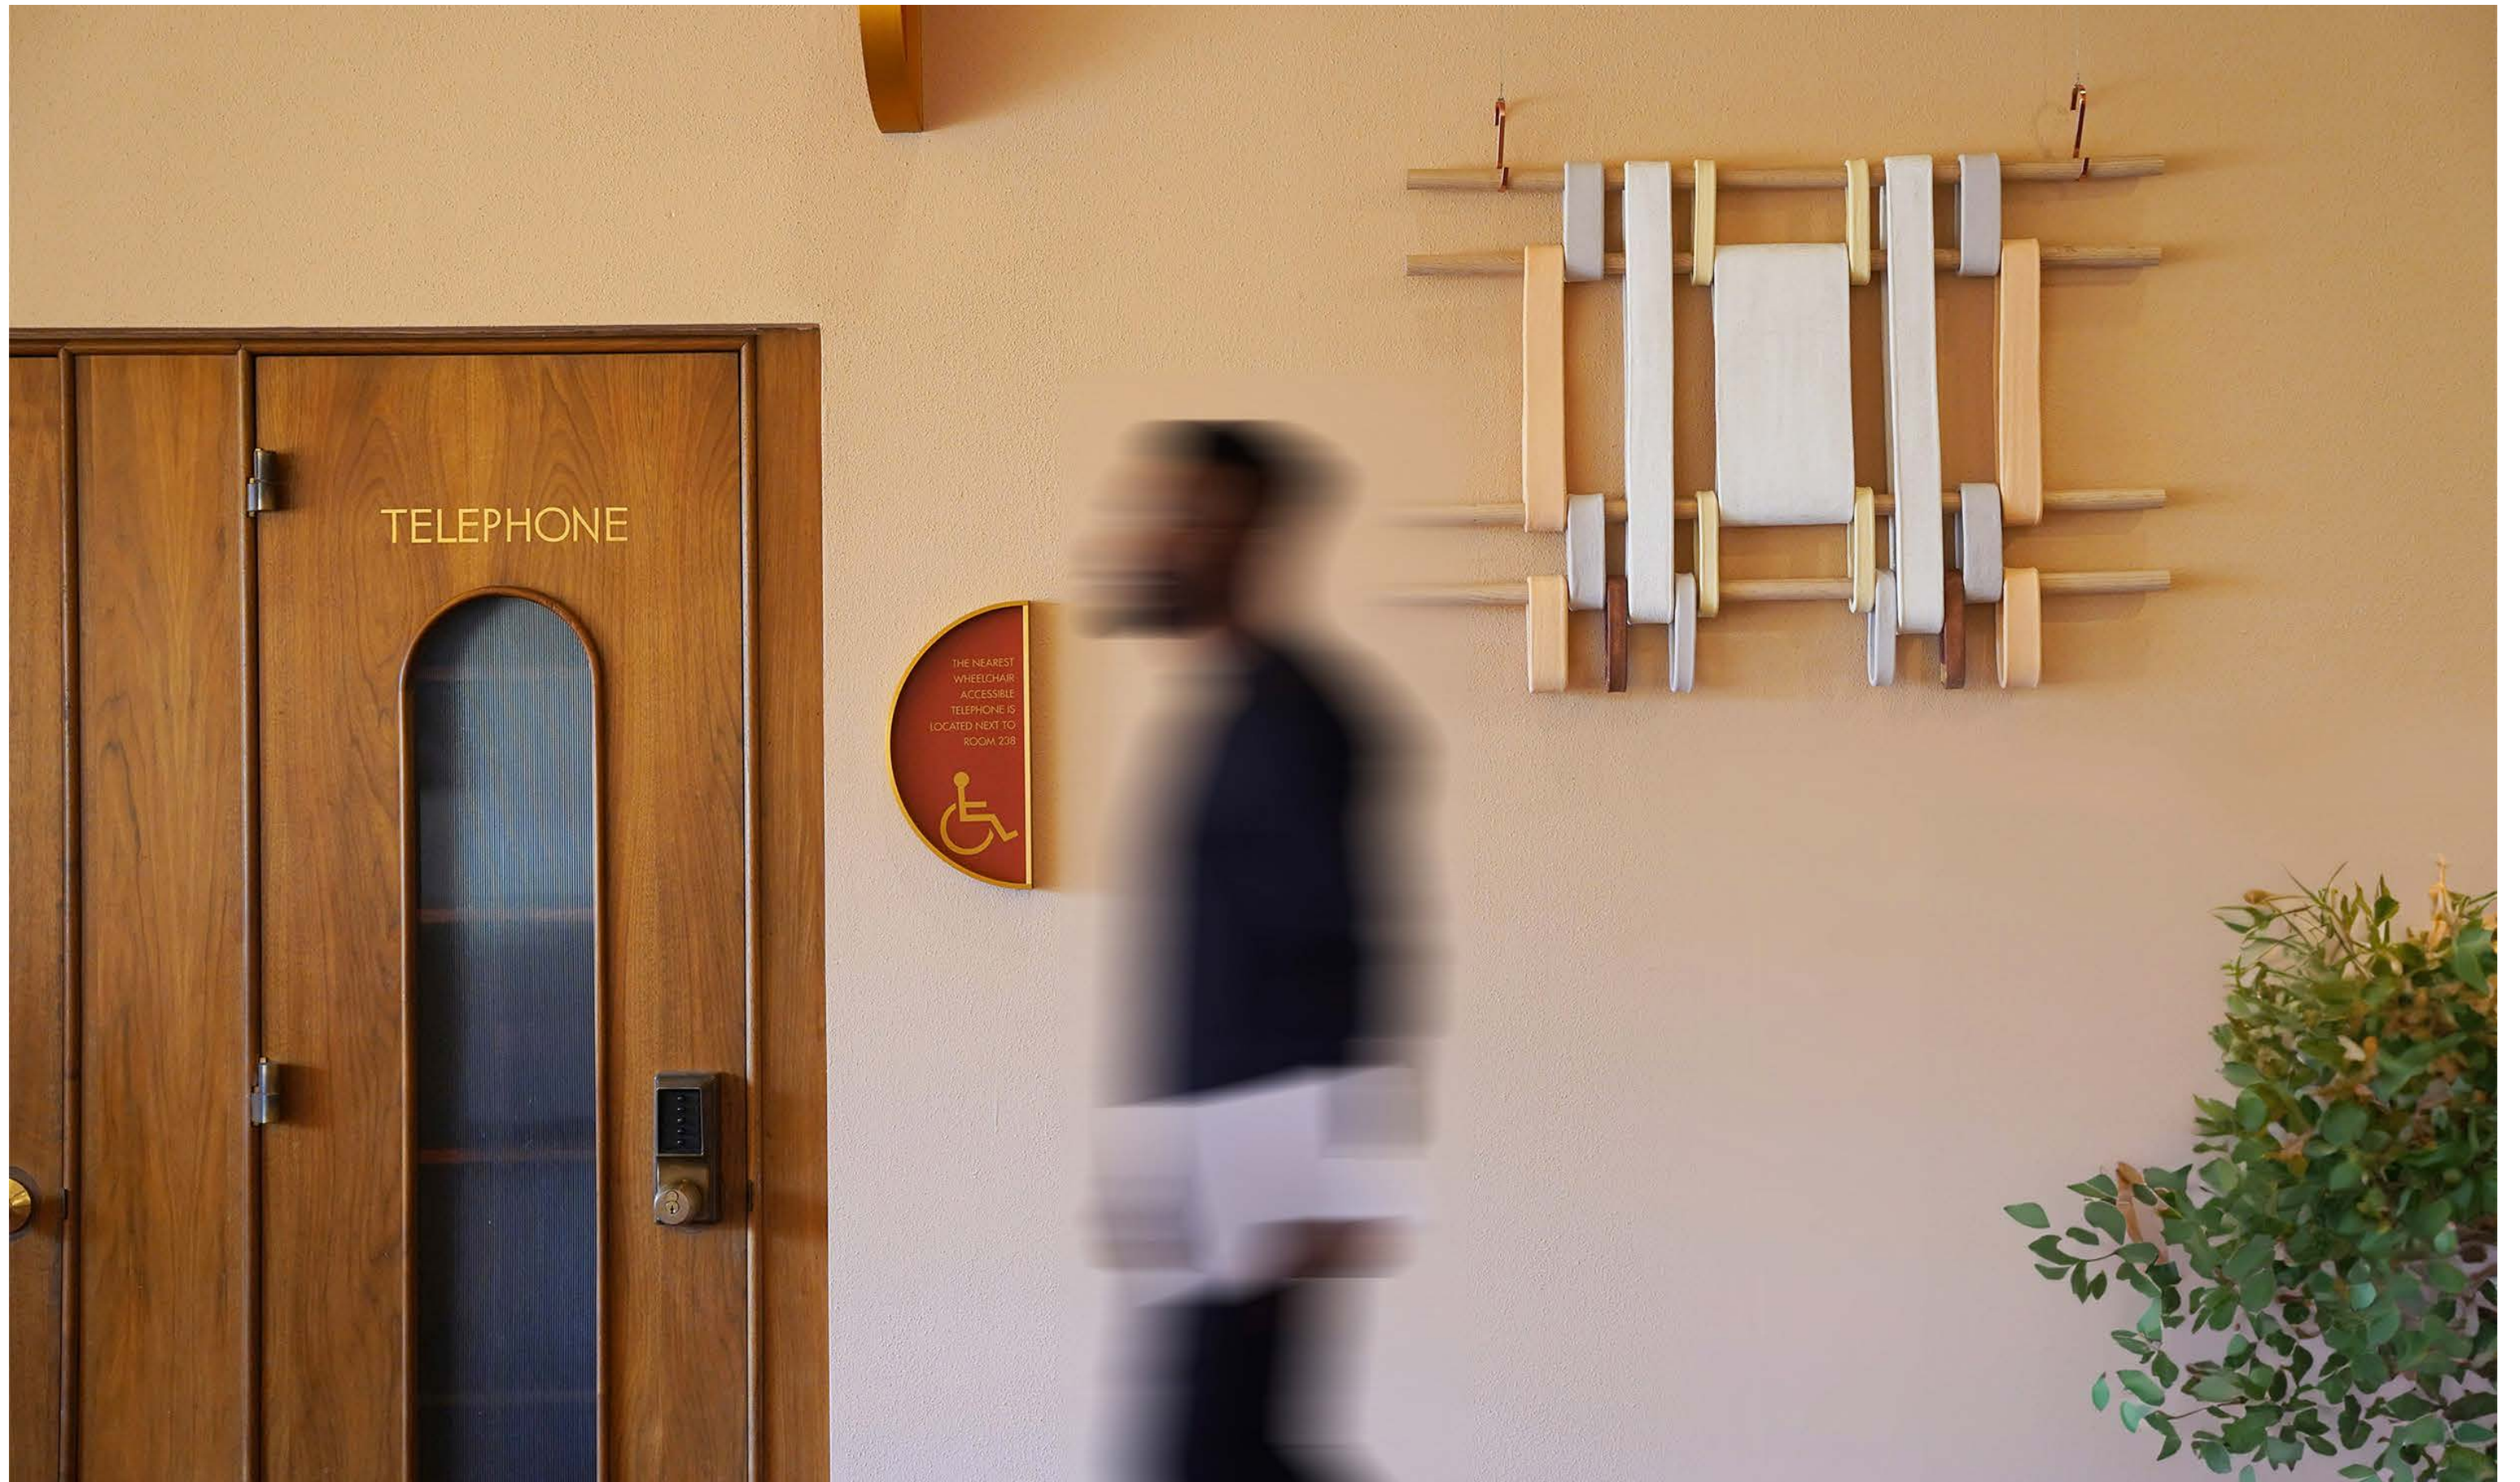

SHIPPING & HANDLING \$250

If shipping outside of Bay Area, price will be adjusted.

INSTALLATION

Self install or professional install available.

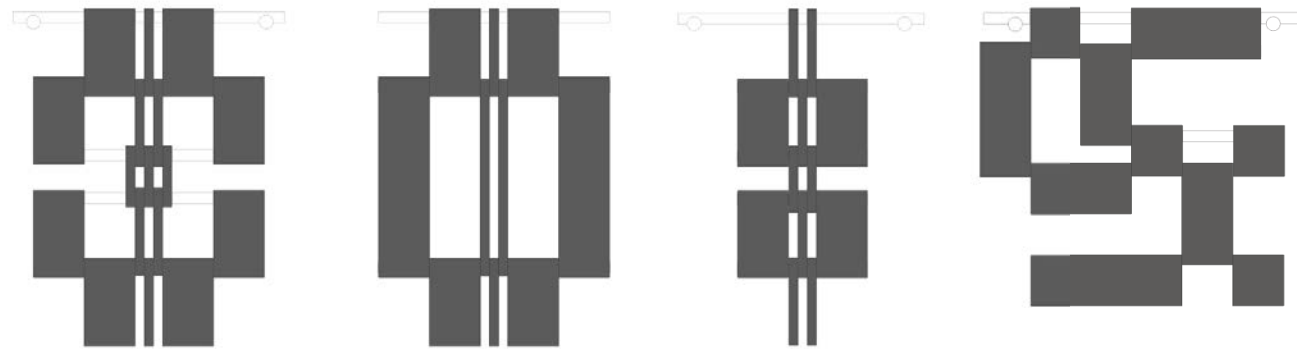

FLW Tapestry

Inspired by Frank Lloyd Wright's approach to designing buildings in harmony with their surrounding landscape, this tapestry is created to reciprocate its environment. The colors, shapes and patterns are designed to weave into the architecture and details of the building. The artwork is on permanent display at the historic Marin County Civic Center, designed by FLW.

Tapestry Designs & Customization

Tapestries are infinitely flexible in pattern and color. Custom color and pattern combinations will have an additional development and design fee depending on the request. Please inquire.
